## NOTIFICATION

### **Webinar on Adaptation Communications: draft supplementary guidance for voluntary use by Parties in communicating adaptation information through Adaptation Communications**

**30 June 2021  
12:30–2:00 p.m. Central European Summer Time**

Pursuant to decision 9/CMA.1, paragraph 15, the Adaptation Committee (AC) is hosting a webinar on adaptation communications: draft supplementary guidance for voluntary use by Parties in communicating adaptation information. During the webinar, the Adaptation Committee will present its progress to date on this work and invite reflections from Party representatives, practitioners, and other experts engaged in work relevant to the adaptation communications. The input received during this webinar will inform the AC's efforts to refine and finalize this work by June 2022.

The webinar will be guided by the following objectives:

1. Soliciting input on the draft supplementary guidance from Parties, practitioners, scientific actors, and other experts;
2. Hearing experiences of Parties who have already prepared, or are in the process of preparing, their adaptation communications;
3. Hearing experiences of Parties or practitioners who have used other UNFCCC guidance materials relevant to adaptation or other workstreams.

The agenda for the webinar and further details will be made available soon at <http://unfccc.int/event/AC-webinar-AdComs>.

Yours sincerely,

Youssef Nassef  
Director  
Adaptation division

**Distribution:** To Parties and observer States through their national focal points for climate change and diplomatic missions accredited to the Federal Republic of Germany, as well as United Nations organizations, related organizations and admitted observer organizations.
