Workshop 5

NOTIFICATION

The 5th Workshop under the Glasgow-Sharm el-Sheikh Work Programme on the Global Goal on Adaptation

21–23 March 2023

Pursuant to decisions 7/CMA.3 and 3/CMA.4, I am pleased to notify non-governmental organizations (NGOs) that the fifth workshop under the Glasgow-Sharm el-Sheikh work programme on the global goal on adaptation will take place from **21 to 23 March 2023**.

The workshop will take place in a hybrid setting, with the in-person element taking place in **Maldives**. In line with decision 3/CMA.4, there will be an option available for participants to actively take part virtually, and this will ensure the workshop is fully inclusive to all.

Further information on the theme of this fifth workshop, and subsequent workshops will be made available shortly via an information note from the Chairs of the Subsidiary Bodies. A concept note on this workshop will be published three weeks prior to the workshop date, in line with decision 3/CMA.4.

Constituency Focal Points will have the opportunity to nominate representatives from admitted observer organizations using the Observer Registration Form, which will be sent to Constituency Focal Points in due course.

Further details on the meeting will soon be made available on the [UNFCCC website](#).

Yours sincerely,

Youssef Nassef
Director
Adaptation division

Distribution: To Focal points of constituencies of non-governmental organizations admitted as observers by the Conference of the Parties.
